

Golant Village Hall Management Committee Report 2021

The past year has been disrupted by the Government forced closure and due to the coronavirus rules further restricting Village Hall events.

We had brief openings following strict rules with a couple of films at Christmas and book open days. Thinking outside the box and to lift our community spirits we held an hilarious virtual egg roll on Easter Day and projected music over Golant on NHS Thursday clapping nights.

Again from the village hall on VE Day 1940's music sang out over the Village creating a great atmosphere.

Carol and Fayre have fronted the Village Hall Committee with organising fortnightly soup days for the over 75s giving doorstep delivery.

The pop up film on the village green was much enjoyed yet again with Pirates of the Caribbean and villagers in fancy dress made it even more fun.

Grads Christmas performances were sadly missed.

Our thriving Village Hall keeps on providing opportunities for people to get involved with.

On to the Hall itself, the building continues to be improved year on year. Fayre our treasurer and bookings manager has meticulously and superbly updated the Fire Risk Assessment and Health and Safety Strategic Plans etc. We have updated our audio system and replaced the aged computer with a super new one.

In 2021 We are focusing our attention on improvements upgrade of the toilet and kitchen facilities and to the improvement of the heating system.

A thank you goes to The UK Government for their financial support through closure.

So, all that is left for me to say, is a HUGE thank you to all members of the Village Hall committee and to our wonderful parishioners who so generously support all we do.
