

Fowey River Canoe Club
Annual Report for St Sampson Parish Council
23/05/2023

Achievements for 2022-23

Matthew Collinge has been a club member from a junior and is now studying hard for a master's in microbiology at Nottingham University and is still competing and training hard for the club.

Matthew was selected to represent GB as a senior, and at the German Marathon Nationals last week and Won a Gold in K2 (Kayak Doubles) and 2 Silvers in K1 (kayak Individual).

Matthew is now training hard with fellow Club member Benji Cabrera for the World Sprint Championships in Italy and the European Sprint Championships in Portugal.

.....

Etan Hunt is a junior member of the club and is in year 10.

As a club we race in divisions 1 to 10 these divisions are decided by ability and not age or sex in his last race Etan was promoted to Division 3 a really great achievement for his age.

Ethan has been chosen as part of the Under 14 years British Canoeing Team, he was 2nd UK boy for under 14 years.

Ethan is as we talk training for a competition in Belgium this weekend.

.....

Dan Palmer has been a club member from a junior and has had many kayaking achievements.

Dan completed the Devizes to Westminster Canoe race at Easter this is a great achievement at any time as the race is 124 miles and is either run over 4 days or as 1 single effort. Dan and his partner Kat were one of the few teams with the experience required allowed to complete the race as a single effort this year as the Thames River was in full flow, they won the mixed category and were 3rd team over all a brilliant result.

.....

Fowey River Canoe Club is a small club with a big heart.

We do have a social group and more stable boats as well as the competitive side.

We have a group running on Wednesday mornings social taster group and would welcome any body interested in joining us, if you would like more information, please contact us:
