

Carnival report to PC Annual meeting

This year's Carnival is on 8th August and we would be very grateful for the Council to cut the grass before this date, obviously using their fantastic contractor.

Sue and Mark Steers have kindly agreed to co-chair Carnival from now on to allow me to step down but have asked me to stay involved for this year clearly in the mistaken belief that I know what I am doing.

Following last year's disappointing turnout especially for Carnival we are making a big effort this year to attract villagers to participate in both Sports and Carnival in the hope that we can maintain this lovely old village tradition.

Both village children and villagers grandchildren will be able to collect points for the cup races, we have increased the prize money and reduced the number of races. Carnival will start at 6.00pm with judging commencing immediately before setting off on the parade around the village at 6.20pm. We will shorten the prize giving and raffle to conclude the event with the Flora dance along the front. The Fishermans has kindly offered to provide attractive prizes for Carnival instead of the old small cash prizes.
